

## **TEACHER AIDES**

Teacher aides shall be utilized as needed to provide more individualized attention. The teacher aides shall work in cooperation with the individual teachers and under their supervision in those areas for which they are best suited.

## **TEACHER AIDES**

As a minimum, a teacher aide must have an Associate's Degree or have successfully completed two years of study at a regionally accredited college or university. A teacher aide must be able to assist with the instruction of reading, writing, and mathematics in the school as directed by the teacher.

Individuals who work in non-instructional roles such as cafeteria and/or playground supervision, personal care assistance, and non-instructional computer assistance are not considered to be teacher aides and are not subject to the above requirements.
