

ABSENCES

Guidelines delineating both school and parental responsibilities in regard to student absences shall be defined and published in school handbooks.

RECORDING ABSENCES

Absences from school shall be noted on the student's permanent record even though the absence has been excused. Parents shall be notified in the event a student is sent home during the day or if classes are dismissed at other than the regularly scheduled time.

If a student is given an out-of-school suspension it is considered unexcused. If they are serving an in-school suspension they are marked as present but excused, and are responsible for completing school work while in the suspension.
