JOURNEY TO THE KINGDOM OF GOD

This week in class your third grader is learning about listening to God for his or her vocation, the way he or she will serve God and reach the Kingdom of Heaven. Play this game, and discover your thoughts together!

OBJECT OF THE GAME:

Be the first one to reach the cross/Kingdom of God.

DIRECTIONS:

Find a small object for each player.

Put your player pieces on the star.

The youngest player goes first.

Flip a coin on each turn then advance 1 step if the coin is heads up and 2 steps if it is tails up.

Answer the question on the step.

The first one to the cross/ Kingdom of God wins and gets to help the other players to the Kingdom of God by flipping an additional coin and adding the result to the number of steps the other player gets to advance.

The game is finished when all players reach the Kingdom of God.
