Family, Faith and Circle of Grace Curriculum

The Archdiocese of Omaha would like to express its gratitude and appreciation of the past and current *Circle of Grace* contributors. Their commitment, creativity, expertise, and countless hours of dedication have had a profound impact in the lives of children and youth throughout the nation and beyond. The original committee was comprised of the superintendent of schools, teachers, principals, and school counselors. It also included our faith formation director, directors of religious education, catechists, youth ministers and mental health professionals.

The Office of Victim Outreach and Prevention gave their time, gifts and passion to the development of this safe environment curriculum for family faith formation.
